TSE/BSE Statement

Products: Test sieves – Stainless steel frame, stainless steel mesh
Lids and Receivers - Stainless steel
Consistometer – Stainless steel
Sample Divider – Stainless steel

All products supplied by Endecotts Limited are free from Transmissible Spongiform Encephalopathy (TSE) and Bovine Spongiform Encephalopathy (BSE).

Endecotts laboratory test sieves are manufactured wholly from synthetic or manufactured materials and do not contain any raw materials produced from, or substances derived of animal origin.

Moreover, these products are not derived from specific-risk materials as defined in The Transmissible Spongiform Encephalopathies (England) Regulations 2018 [as amended].

The manufacturing process does not use any ingredient of animal origin nor do our products come in contact with animal products during storage and transportation.

We further declare that our products are Dioxin Free.

Signed on behalf of Endecotts Ltd.

Adriaan Stander
Managing Director
